WEST HIGH SCHOOL
2910 N. 19th Ave.
Phoenix, Arizona 85015

The 1981-82 school year at West High school has been recorded within the pages of this Westerner yearbook. It was a unique year -- the second phase of co-existance with our infant vocational school and our first year as a foster home for the students from North high school.

Due to the cooperation of the students from all three groups, the anticipated problems with the consolidation never materialized. Along with football, other sports and scholastic events were improved when the three groups combined their efforts.

Let these pages help you remember the school year with words and pictures -- in reality it's history but in your memory it will be alive forever.

WESTERNER

Dene Shoemake
Editor-in-Chief

This printing of the Westerner yearbook represents another "first" for West High. Not only seniors, but all underclass students in full color! We are the only school in the district to use color in the class sections. It is through your purchase of picture packets that the money for this project is realized.
It is the hope of the yearbook staff that this book will be able to help you in remembering what will probably be one of the last years of West High as a regular school.
Many hours of extra time went in the production of this 1982 Westerner yearbook and while there are errors, it is the hope of the editor and staff that they will all be small ones.

1981-82 has been a busy year for the 3rd Battalion of the West High School JROTC. The entire battalion toured Luke AFB and participated in the annual Gompers' Collection Day. The Veterans' Day parade, attaining a satisfactory grade on the Annual Federal Inspection, and the military ball were also important highlights.

The rifle team won the brigade championship and represented the District at the San Diego match. Also, they participated in meets locally and in Tucson. The drill team participated in several meets at ASU and other valley locations. The color guard was active throughout the year participating in all home football and basketball games. Also, they assisted in military funerals, massing of colors and with the drill team, represented West High School at parades in Maryvale and Peoria. Ranger Team sponsored a Brigade FTX at Papago Military Reservation and conducted several exercises of their own at Thunderbird Park and Seven Springs. Selected cadets travelled to Fort Bliss, Texas, supported the annual massing of the colors ceremony in Sun City, and formed the honor guard for the visit of Brigadier General Shelton, 4th ROTC Region Commander.

It has been a busy year, but more important, it has been a good year in spite of tremendous turbulence.

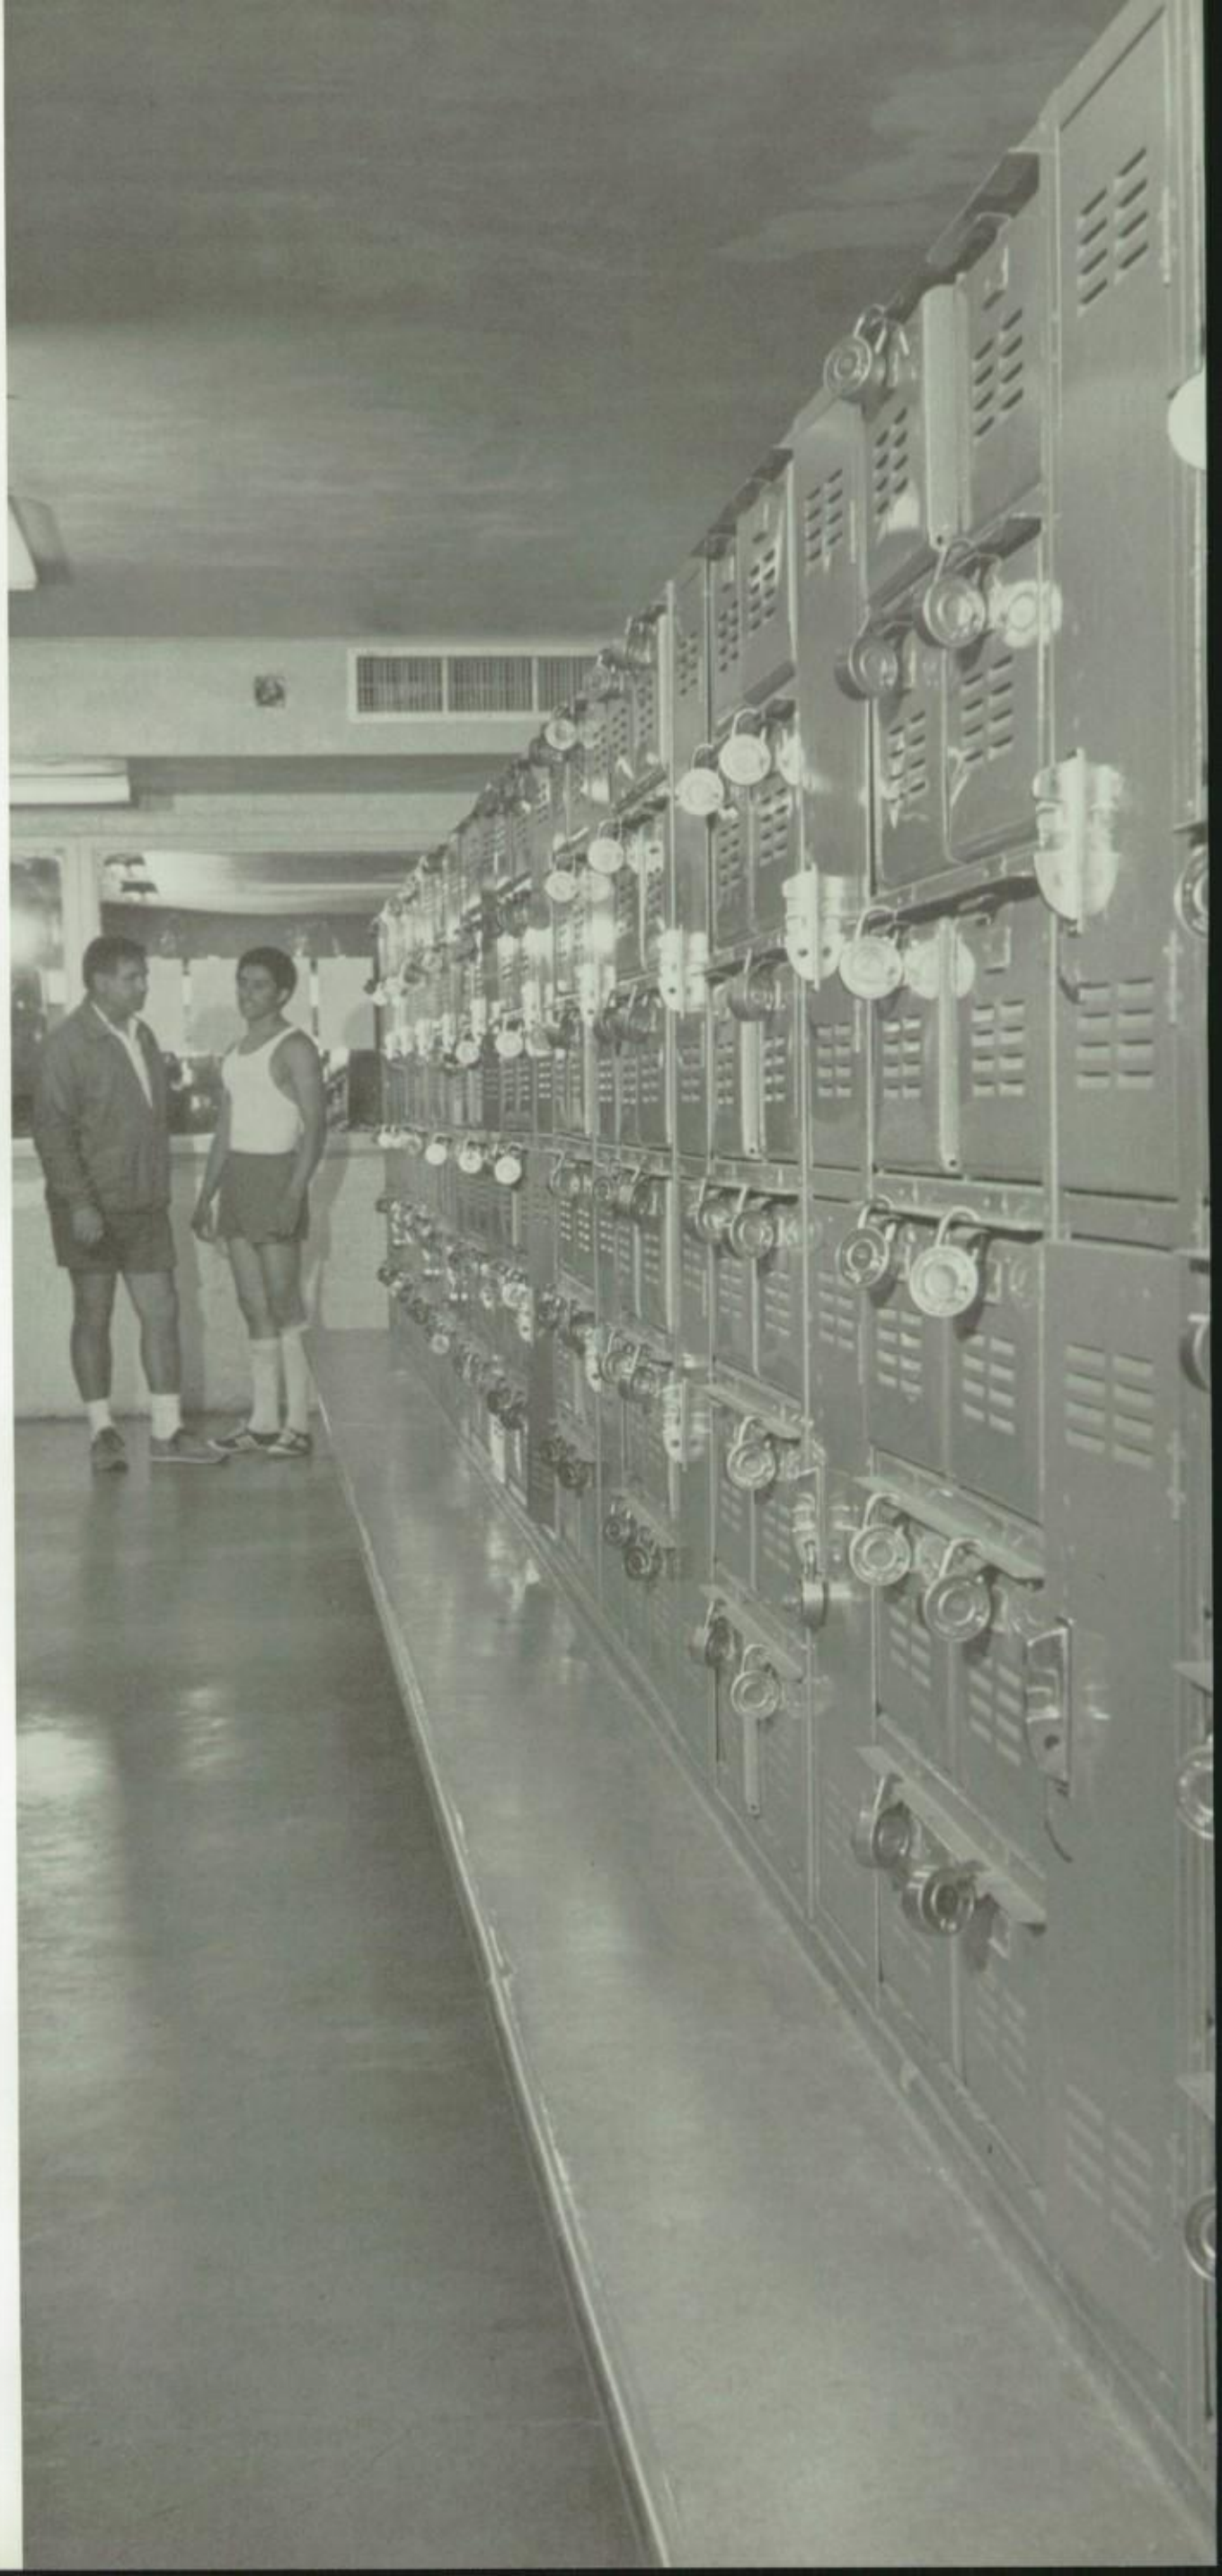
SPORTS



FOOTBALL

WHERE'D HE GO? Tony Rodgers (38) scores a complete miss on Tim Caliver (37) in the intersquad contest. That's okay, Joe Green (79) made sure that he didn't get away. At least we hope that he did!

By scoring three victories, two in league play, this year's varsity gridders came up with the best record for a T-Bird eleven since 1974. During the campaign, Coach Gene Cox's squad was able to overcome Phoenix Union, South Mountain and Carl Hayden while coming very close to victories against Alhambra and Maryvale. The league wins over South and Hayden were largely due to the outstanding games turned in by Cliff Doss and Mark Faulkner. Several players were selected for individual honors for their efforts during the year. Tim O'Connor was named to the all-League defensive first team; Faulkner and Steve taylor were picked on the league's defensive second squad; Fred Jones, all-League second team offense; and Victor Salinas and Tim Caliver received honorable mention awards.

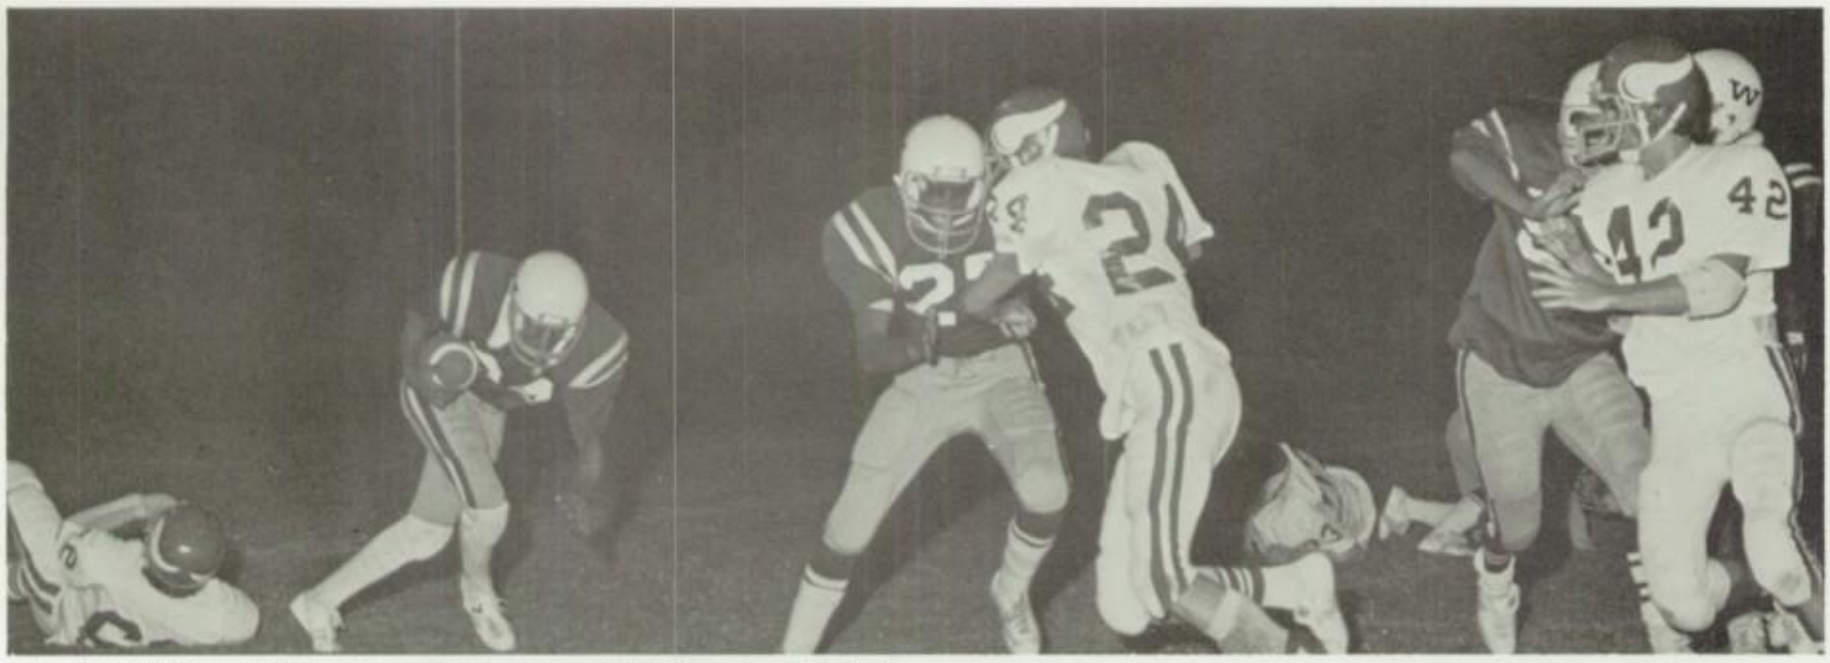
VARSITY FOOTBALL - front row: Angel Hendez, Scott Day, Gilbert Sanchez, Alex Lopez, Alex Florey, Mike Soza, Tommy Coronado, Tim Taylor, **second row:** David Chapin, Cliff Doss, Steve Taylor, Tony Rodgers, Charles Golden, Paul Ordonez, Don Kwan, Frank Propatti, Darren Osife, Curtis Jackson, **back row:** Coach Barry LaBelle, Coach Gene Cox, Tim Caliver, Joe Greene, Hank Faulkner, Tim O'Connor, Steve Malloy, David Leisch, Mike Eberhart, Fred Jones, Allen Bordeaux and Coach Carl Bakemeir.

TAKING A BREATHER - Coach Cox earnestly explains a play to Mike Soza (75) while the rest of his teammates catch their breath during a much needed time out in last September's hot and humid intra-squad game.

Bulldoggin' A Bruin - That Thunderbird may not have horns, but he's about to get thrown by Charles Golden. If another hand is needed, Tim Caliver, (37) is set to grab a foot. Steve Taylor, (77) and Victor Salinas, (45) are ready to complete the round up.

J.V. FOOTBALL members are: **front row:** Robert Arroyo, Phong Dang, Shawn Akins, Scott Hicks, Mike Murrillo and Ira Jackson, **back row:** Coach Carl Bakemeier, Brain Wills, Troy Hardwick, Nate Wilburn, Ron Duarte, Homer Knighton, Mike Shirley, and Coach Rick Caldwell.

The lack of numbers caught up with the junior varsity eleven and their season came to an early end. Despite this the jayvees were able to come up with a big 27-7 victory over Carl Hayden. Two big plays in the Central game, Nate Wilburn's 72 yard run and David Leisch's 52 yard reception, were added points. Along with Wilburn, Coaches Bakemeier and Caldwell also commended the play of Brian Wills, Mike Murrillo, Homer Knighton and Scott Hicks.



Don't Fall Now! If he doesn't trip himself, Walter Crawford has an opening to go for a big gain as Alan Bordaux, Mike Soza and another T–Bird clear a path for him against the Sunnyslope Vikings.

Sitting One Out! Maybe not by choice, but Steve Taylor (77) finds himself sitting down on the job as Victor Salinas (45) gets set to race into an open field for a big chunk of yardage in the game against Trevor Browne.

FRESHMEN FOOTBALL members are: **front row:** Richard Waller, Friberto Rodriquez, Danny Mace, Kirwin Hogg, Julio Jimenez, Steve Cunningham and Larry Sanchez, **second row:** Orlando Lopez, Mike Hansen, James Calles, Manuel Johnson, Charles Willis, **back row:** Coach Gary Glasenapp, Tom Montoya, Robert Lopez, Joe Fiore, Richard Salinas, Kevin McQuay, Dean Hemstreet, Jim McColl, John Powell, Mike Lee, Mike O'Connor and Chris Brown.

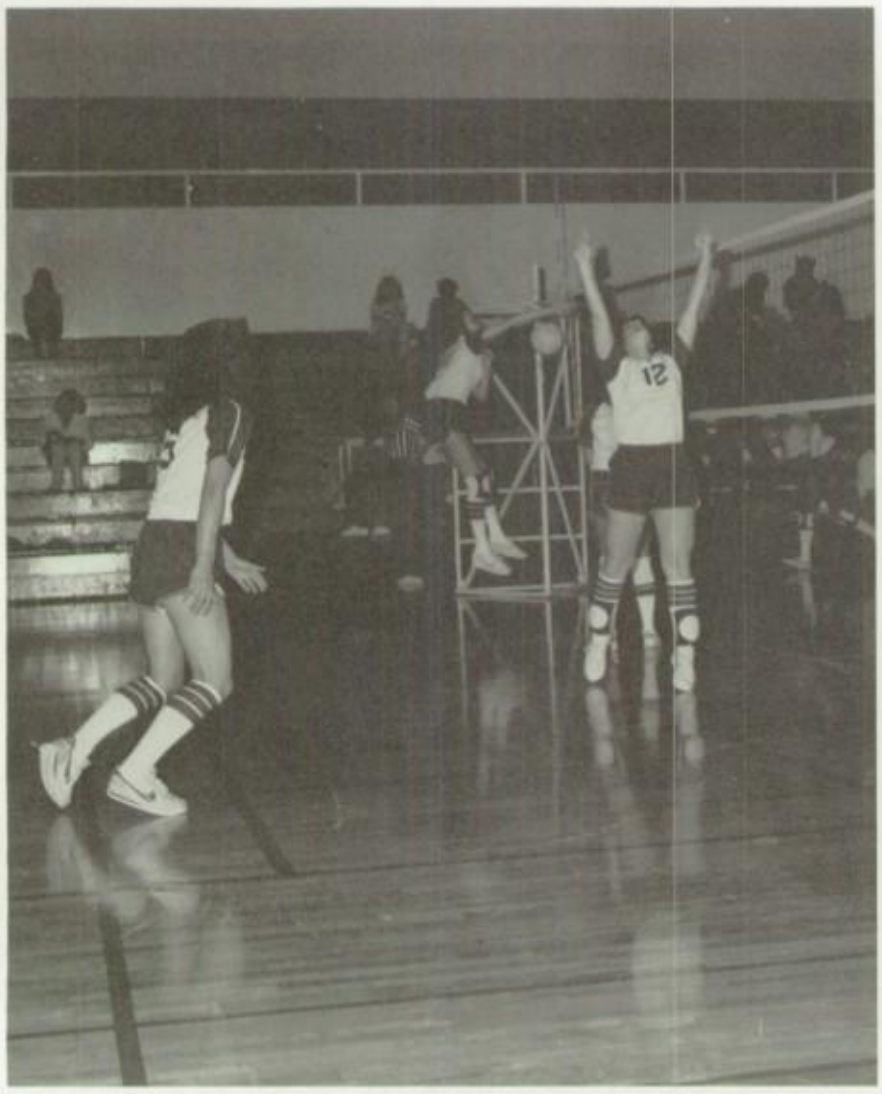
Although the freshman football squad did not come up with a victory in 1981, a great amount of individual progress was made throughout the season. The two best team efforts came in the opening 8-6 loss to Shadow Mountain and the season ending 6-0 defeat at the hands of Alhambra. Coaches Caldwell and Glasenapp named Robert Lopez and Julio Mimenez as the team's top competitors for the season.

VOLLEYBALL

As in the past, the varsity volleyball team was a winner, scoring eleven victories against seven losses, and again qualifying for the division playoffs. According to Coach Jeanne Osborne, this was one of the best teams West has put on the courts. She had special praise for the teamwork of all the players. The highlight of the season came in the 2-0 win over Maryvale which advanced the team to the divisionas. Individual honors were garnered by Mandy Driscoll, Jessica Sawyer, Vanessa Espinoza and Yvonne Canez. Mandy was named to the Metro all-Division team and along with Jessica was picked on the B league second team. Vanessa was named as honorable mention. Jessica also received the team's most outstanding player award while Yvonne was named the most improved.

UNDER THAT BALL - Vanessa Espinoza (20) scrambles for the ball after a low return from Grace Urcuyo (32).

VARSITY VOLLEYBALL members are: **front row:** Kelly Sanders, Nicki Avery, Mandy Driscoll, Jessica Sawyer, Grace Urcuyo and Vanessa Espinoza, **back row:** Angela Luna, Denise Garcia, Yvonne Canez, Mary Gill, Maricela Guajardo and Coach Osborn.



SET UP AND SPIKE - Chrissy Contes (12) sets up the ball for Angie St. Clair (5) to follow through.

Jessica Sawyer (22) bumps the ball back over the net for the Trevor Browne team to handle while Grace Urcuyo (32) and Mary Gill (10) keep on their toes.

J.V. VOLLEYBALL members are: **front row:** Susan Hicklin, Anna-Lisa Byrne, Adrian Works, Terry Valasquez, Angie St. Clair and Angela Johnson, **back row:** Kim Smith, Sonia Cavender, Vickie Tucker, Ton Francoeur, Sabrina Shortlidge and Chrissy Contes.

Having a winning way, the T-Bird junior varsity volleyball squad pounded its way to nine victories while losing only three times. Coach Diane Blanco's girls came up with several big wins, but the one that meant the most was a 2-1 decision over Central. Selected as the most valuable player was Adrian Works while Ann-Lisa Byrne was named as the most improved.

Highlights of the season for Coach Bob Stewart's netters were the 8-1 wins over Maryvale and Agua Fria and the whitewash of East. Leaders of the team, which was headed for at least a third place finish in the district, were Delores Boyd, Christi Evans, Vicki Turner and Gayle Nedrow. According to the coach, "this fine group of young women made the tennis season for West one of the most successful in many years."

BADMINTON

By winning the doubles competition in the division finals, Janene Miller and Julia Woods rounded out another successful season for the varsity badminton squad. Coach Shari Courtney's girls, who finished with an 8-8 record in their regular season contests, had big wins over Horizon, Trevor Browne and East to highlight their season. Even the losses to strong teams from Scottsdale, Central and South were offset by the great individual play of several members of the team. Besides Janene and Julie, who were selected as the outstanding players, Dolly Pinkava was named as the most improved.

CROSS COUNTRY

VARSITY BOYS CROSS COUNTRY members are: Tommy Woo, Mike Trzeciak, Joe Conditt, Shawn Jackson, Kevin Mayo and Coach Hatfield.

In the Thunderbird Invitational Meet, which included many of the state's top harriers, Richard romped to a twelfth place finish while Mike finished in the twenty-fifth spot. Coach Jim Hatfield's team, in a complete rebuilding year, ran their best meets against Central and Trevor Browne.

VARSITY GIRLS CROSS COUNTRY members are: Mr. Hatfield, Patricia Garcia, Kecia Beasley, Kathy Underwood, Annette Chavez, Barbara Vasquez, Becky Reed and Valerie Amerson.

Led by senior Kathy Underwood and freshman Kecia Beasley, the girls' cross country team was able to run up a 6-4 record in regular season meets. Coach Jim Hatfield noted that this was a very young team and could have become a group of excellent runners - if West had been open next year. We understand that the highlight of the season came when the girls got lost while running in the mountains.

WRESTLING

During a practice session, Alex Lopez uses the cradle hold on Robert Austin.

Wrestling at West during this past year became the Brady Bratcher show. Coach Gary Harnisch's matmen, who had their best dual effort against Central when they won all but two of the matches, showed steady improvement throughout the season. Brady was named the team's most outstanding competitor while Orlando Lopez was given the frosh award for outstanding performance.

GIRLS' VARSITY BASKETBALL—Turning the season around after a very slow beginning, the girls' varsity quintet started winning its share of games and were headed for a probable playoff berth in the division finals. The steady improvement in the team's play, according to Coach Jeanne Osborn, made this possible. The leaders of the squad throughout the 1982 season were seniors Stacy McDonald and Jackie Hernandez. The Coach rated Adrian Works, Vickie Murphy, Sheila Minor, and Angel Luna as the team's leaders.

The individual standouts for the squad were Jose Adamo, Bill Albritton, Mario Armendarez, Angel Mendez, Jeff O'Day and Jerome Prazak.

Freshman Baseball -- Freshman baseball for 1982 featured the performances of Jim Aragon, Dwane Carpenter and Pablo Mendoza. Jim was the top pitcher for the squad; in the win over South, he struck out eight men. Dwane, the team captain, was an outstanding catcher. As the leading hitter for the team, Pablo had a .458 batting average. Coach Reg Matthews cited that the defensive play was the big weakness of his team, but that the players worked hard to overcome this problem.

Freshmen Baseball—front row: Jimmy Calles, Tom Bridwell, Manuel Johnson, William Porter, and Darrell Smith. **second row:** Robert Bump, Mike O'Conner, Jim McColl, Steve Cunningham, Pablo Mendoza, and Mike Lee. **top:** Coach Bob Mullins and Coach Reg Matthews.

SOFTBALL

West High's varsity nine was once again a dominant force in Metro Division softball played during the 1981-82 season, finishing league competition in third place and qualifying for the division tourney. Besides making it to the playoffs, Coach Gary Glasenapp's girls had several other high points for the season--the 2-0, no-hit win Yvonne Canez pitched against Maryvale, the 30-4 win over Horizon, and reaching the semifinals in the Christmas tournament. Besides Yvonne, several other girls received individual honors for their outstanding play: making the first team as an outfielder, Monica Johnson was selected co-captain of the all-Division team and captain of the all-B League nine. Denise Garcia was named to both the division and league first teams at third base; Jackie Hernandez was picked on the all-League second squad, while Janet Borders and Mary Gonzales were given honorable mention honors. front row: Mary Gonzales, Monica Johnson, Jackie Hernandez, Mary Sanford, Diane Pruznak, Shannon Gallager, Stacy McDonald, **second row:** Coach Gary Glasenapp, Denise Garcia, Wendy Dahl, Janet Borders, Laura Lucero, Yvonne Canez, Maricela Guajardo, Coach Carl Bakemeier.

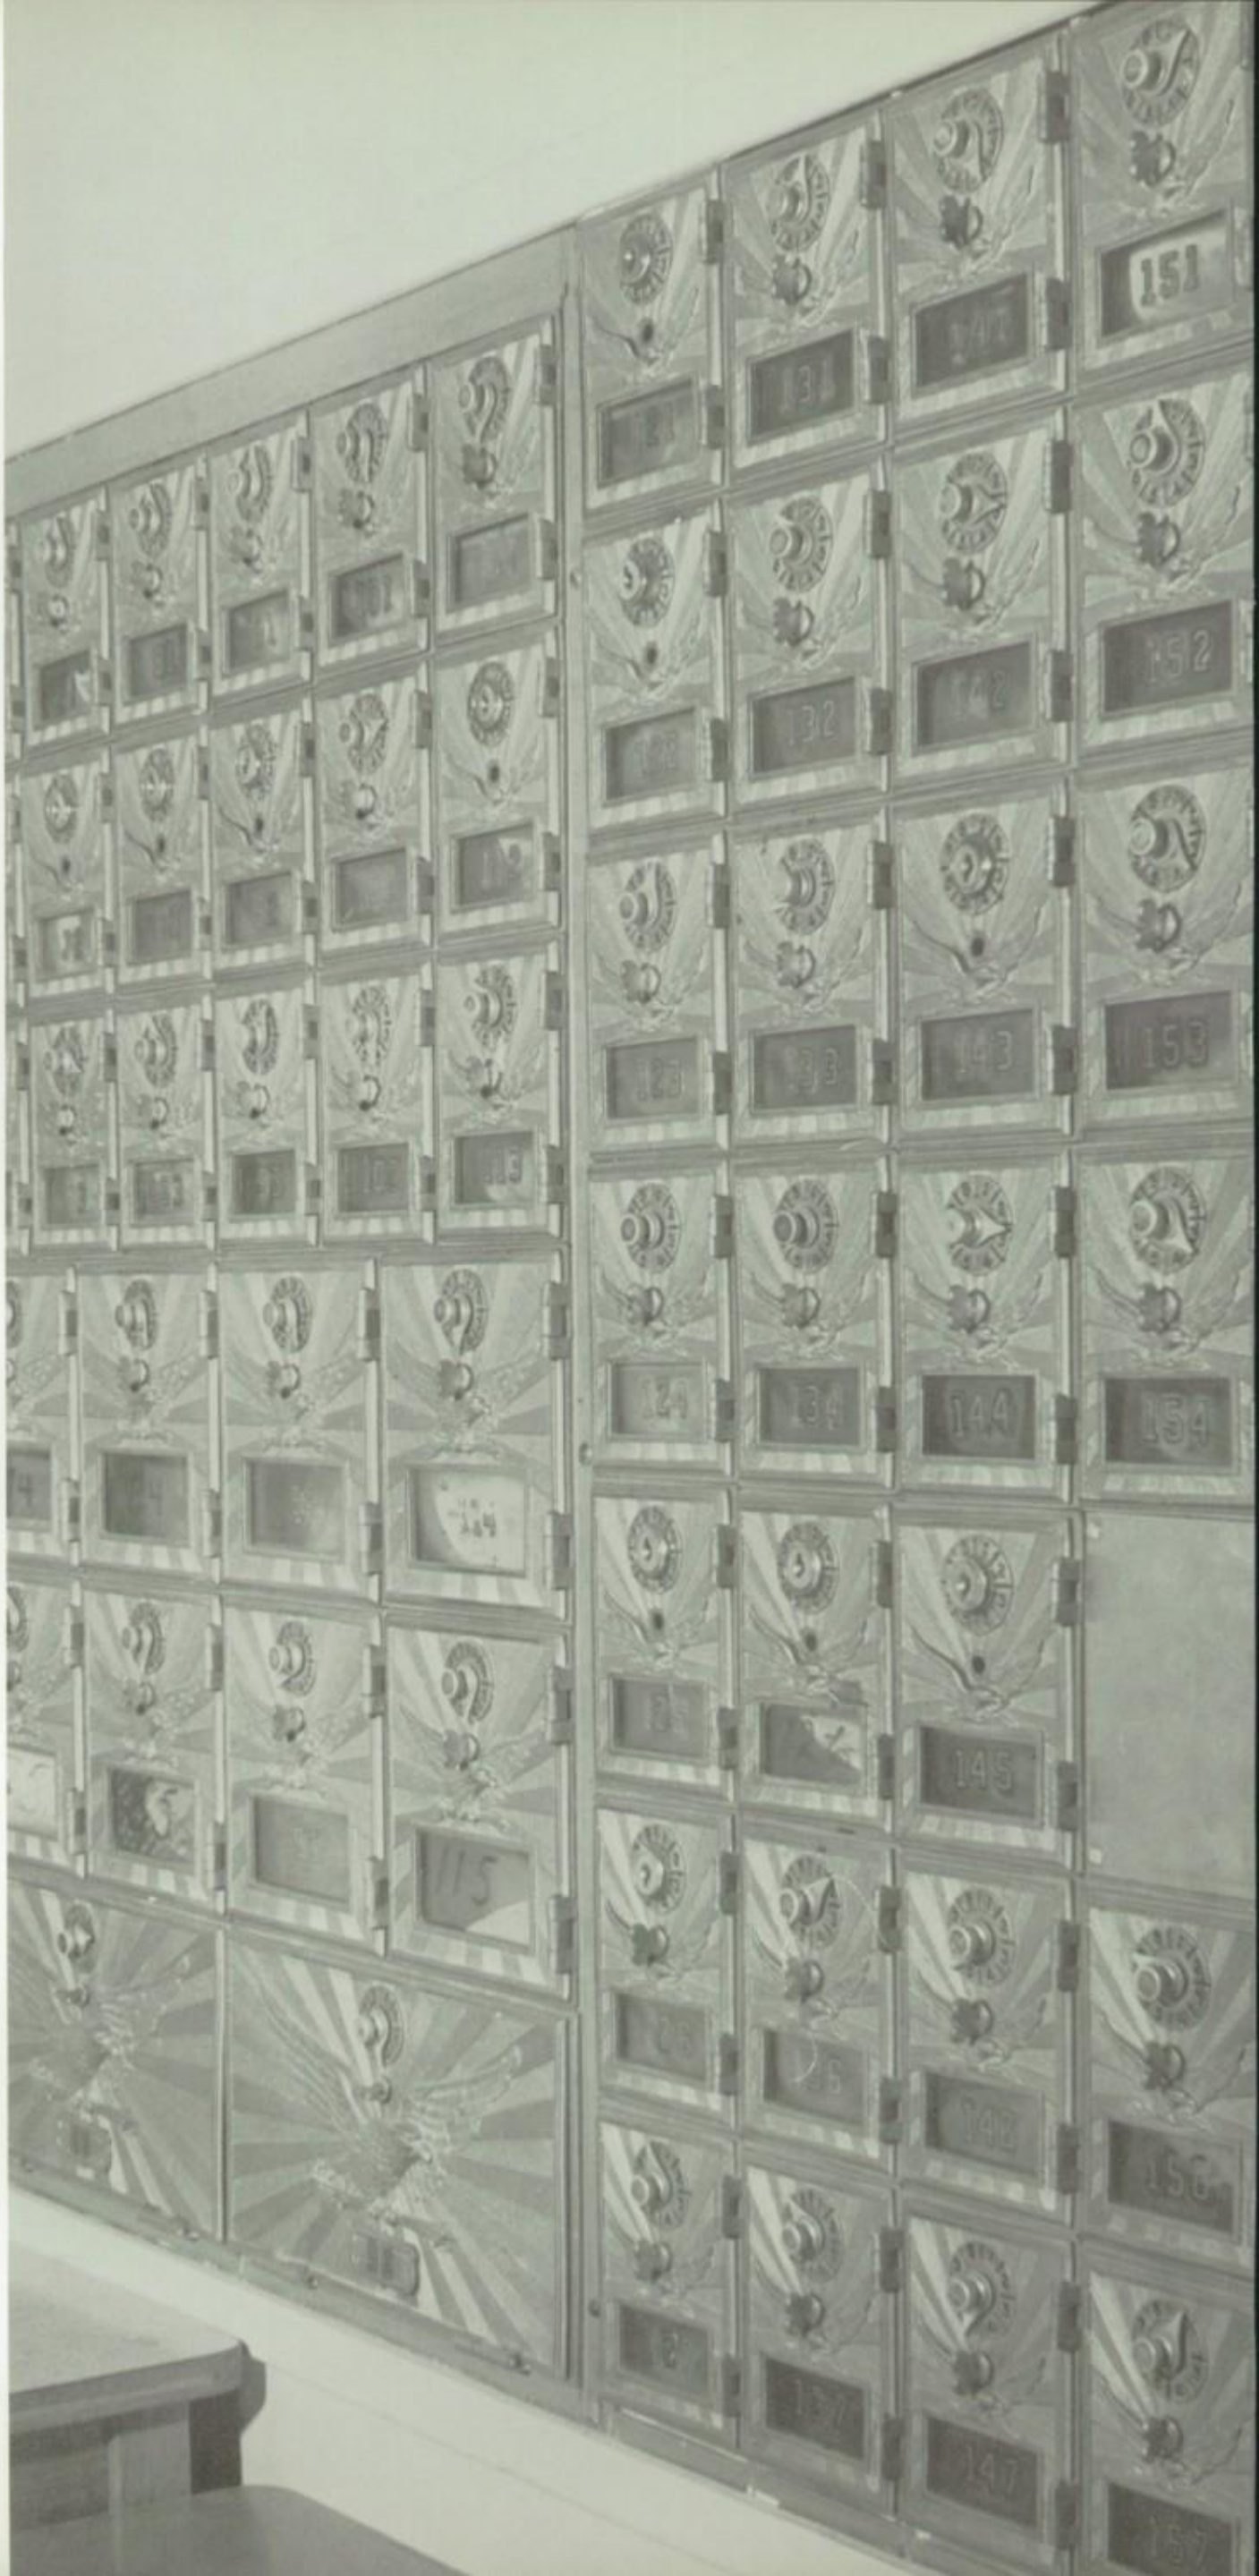
FACULTY



What I share here with you is my part of the confusion that has been with us all year. As I write, the decision of the Governing Board says West High is to be phased out, and is to become the District's vocational center at the end of the 1982-83 school year. Then, just last night, the Board voted to situate the new, undefined, "traditional" school on the West High campus for 1982-83, which appears to mean there will be three components (West High, Phoenix Vocational-Academic Center, and traditional) to be worked together for 1982-83. As you can see, not all problems have been solved!

Now let me be sentimental for a moment. This year finishes my eighth year at West High. As I review those years, I find they have been ones of real pleasure for me. I have enjoyed working with the students, the staff, and the community.

May God bless all of you.

Phoenix Vocational Academic Center

This has been a good year. We have grown in numbers, and programs. We are a distinct school with dedicated faculty and staff. You, the students have proven your interest in vocational education this year. With our anticipated increase in enrollment next year, PVAC will more than double in size. With this new growth each of you will become a leader of those new to the school. For this reason we need your continued support to assist those new to the program in becoming as successful as you have been.

Advanced students pose happily with some of the cameras used in advanced photography. There is no camera to purchase when you take either the beginning or advanced photo classes. Most of the students on the yearbook staff have taken beginning photography and that is the reason the pictures in this yearbook are of high quality. Check with the photography teacher or any of the students pictured here for more details about the beginning classes.

The photo laboratory at West High is the largest in the Phoenix area and can easily allow twenty six students to work at the same time. A knowledge of photography will fit in with many different occupations aside from the obvious personal pleasure to be gained through mastering a different art field. See your counselor if you would like to change your schedule and take this interesting class next year. There is no text book to buy and the entire laboratory fee for the year is just $10.00.

ATTENTION

COLOR PORTRAITS AGAIN

Pictures for use in the "WESTERNER" Yearbook will again be taken on campus. West High is the ONLY School in the Phoenix district that both photographs Seniors in full COLOR and prints them in color in the Yearbook.

1. There is ABSOLUTELY NO CHARGE to you for this color photograph for Yearbook use.
2. 4 different poses will be taken and YOU may select the one for use in the book.
3. Orders will be taken for personal prints at GREATLY reduced prices as compared to regular studios.
4. The selected picture will be RETOUCHED before printing – whether you order personal pictures or not.
5. ALL profits from personal picture sales will go to the Yearbook to help pay the increased costs for the color printing of the senior and life sections.
6. Pictures will be taken during the summer before school opens and also during the evening hours the second week after the opening of school.

FOUR (4) FULL COLOR POSES from which to choose !!

STUDENTS IN PVAC AND THE TRADITIONAL SCHOOL

Senior students of all three schools will be printed in color in the 1983 WESTERNER yearbook.

Underclass students may be in color in the yearbook but it is impossible, at this time, to predict whether it will be done or not.

ONLY pictures taken <u>on campus</u> WILL BE ACCEPTABLE for use in the Yearbook!!!

The idea for the lockers on the cover of the yearbook was first used in the 1961 WESTERNER yearbook and proved to be so popular that the same theme was repeated for the covers of the 1968 and 1976 yearbooks. With the closing of West High school, the staff this year decided to try it one more time. It's different from past issues--there's a North High folder in a locker and also a Rubik's cube was included this year!

ACKNOWLEDGEMENTS

You don't know how good it feels to be able to say it but this yearbook is finally finished! Being the editor isn't just a title, it's a big responsibility. At times I just didn't think we'd make it. Well, we did, and our dedication finally paid off. I hope this book brings back good memories to all of you.

Many thanks to all those on staff for their hard work. Especially those who came in on their own free time. Our photographers did a great job. Kathy Bundy and Laszlo Saska could always be counted on. I am very greatful to Suzi Poulson for her outstanding effort in copy. Liz Guy did an excellent job in the typing of copy and various other things. I would like to thank Rhonda Hansen and Anna-Lisa Byrne as they did a lot of everything and were dependable, dedicated workers. Special thanks to my sister Shelly for being cooperative and understanding.

I would also like to thank American Color and John Nyetrae of Heritage Graphics; also Keith Cole Labs for the terrific job they did on the color portrait printing. Mr. Jim Agee was a great help as he took care of the sports wrap-ups and the copy in the rest of the sports section. And most of all to Mr. Zimmerman for giving up all of his free time to make this book the success it turned out to be.

Thanks again to everyone who helped make these memories possible.

Sincerely,

Dene Shoemake

P.S. We wanted something for everyone in this book so we have allowed a few errors to be made so those people who like to find mistakes in yearbooks will be happy and have something to look for. See pages 134, 183, 211 and 54 to start with!
